A Retirement & Assisted Living Community

Norse Home would like to extend our gratitude to all of the incredible people that work so hard to support our remarkable community. We are proud to know each and every one of the fine individuals that call our building home.

Additionally, we would like to recognize the contributions of our world class staff. From our building services team, to our dining services department, to our activity staff, our nursing team, our resident services department, all the way up to our administrator, we offer our deepest appreciation for all that you do. Norse Home has had the privileged position of serving our community for upwards of sixty five years, and we're only just getting started! We are truly thankful for the support we receive.

Upcoming Veteran's Day Brunch

You've enjoyed our famous Sunday Brunch Buffet all year long, so don't miss your last chance of 2018 to enjoy our Swedish pancakes! You're invited to join us on November 11th, between 9:30am and 1:00pm, as we enjoy delicious food, and take time to reflect on the brave men and women that have served, and continue to serve our incredible country. Party larger than five? If so, please call our front desk at 206-781-7400 to RSVP. This will ensure your spot, and give our wonderful dining staff enough time to accommodate you. Stay tuned! We will soon announce the dates for our 2019 Breakfast Brunch Buffet. As always, we're thankful for all that you contribute to making our brunches a success!

Announcement: Resident Services Hours Have Changed

The Resident Services Office will now have set hours to assist residents with any issues that they might be having. **The hours are from 1:00pm - 3:00pm, Monday through Friday, in their new office, #201.**

If there is a matter that needs attention outside of these hours, please let the front desk know, by calling 7400, and they will notify Resident Services ASAP.

Let's Learn about Glass Blowing!

Trying new things is a part of a life well lived! Thanks to Avalon Glassworks, near Alki, for demonstrating different glass blowing techniques for Norse Home's residents. Avalon was even nice enough to donate an auction piece for our upcoming Norse Home Holiday Bazaar & Treasures event!

Above: Residents watch with curiosity and excitement, as a glass blowing artist practices their craft.
